Nice!!! Had no motion sickness with the riding whatsoever, and liked the feeling of scale. Looking forward to the full game!. To this date still the best zombie killing driving simulator. Try it.. fun game but it crashes!. I highly recommend this aircraft! She is a beauty, easy to fly, has character and a rich history. Sounds lovely too. On sale or not, this is a fine plane to add to the hanger :).Whyyyyyyy?

It was a good concept until you see the flaws. No auto trader option makes me have to do work. I don't appreciate work or that fact that I have to perform it. I also have a problem with the time speeding up thing. If you don't go to church and take a bath every day, then you get♥♥♥♥♥♥♥♥♥♥by the locals. When you speed up the game by 1 month a second, it will destroy you.. After the devs fixed the issue, changed my vote back to a thumbs up.. I just found this game and its on sale. I bought the soundtrack because it was only 50 more cents. The game is very peaceful and relaxing. The visuals are really nice and the music is great. The only issue I have is the moving. Sometimes when i turn the camera it won't turn but it a slight problem nothing major.. Highly disappointed with this game. Not only is it quite buggy, but the mouse sensitivity can't be changed and it is permanently on high, meaning the slightest move of the mouse means you turn drastically - precision is right out the window. "Press E to interact with everything" except for several things, "Press L to use Lighter" that doesn't work - one big frustrating mess.. Personal Rating: Not my preferred genre, bought on discount. Classic Rating: \u2605\u2605\u2605\u2606\u2606

A game which resembles the famous "Angry Birds", with a nice setting - spaaaaaaace! - and characters - badgers. I've almost reached the end and i've collected all the "Energy Cores" so far (Stage 4 - Level 80 or something), so the game is not too difficult even if some levels require a millimetric precision to complete them. There's not much else to say about Gravity Badgers, can be fun and undemanding but don't expect too much from it.. Strike Solitaire is a very interesting Solitaire game. You have to match cards based on numbers. Example: two 10s two 5s,etc... Relaxing game play. 10V10.. Crazy N fun
